Services

Comprehensive Health Assessment Membership Plan \$1495.00/ Year + HST

OPENING NOVEMBER 4TH, 2024

Includes access to urgent care services

Membership is recommended for individuals without a primary care provider, and for anyone who requires ongoing prescription renewal, and generalized medical care.

The membership plan is ideal for individuals with ongoing health issues, such as Hypertension, Heart Failure, COPD, Diabetes, Pregnancy, Mental Health, and more.

There are a limited number of memberships available. Please check our website for more information.

Urgent Care Clinic - for non-members

COMING SOON

\$55.00/ 15min visit + HST

Walk-ins are welcome. All patients are reminded that this is not a triage system. Patient's have the option to pre-book their appointment. Pre-booked patient's will be seen in priority of walk-ins.

The UCC is for non-threatening conditions that require medical attention. The UCC does not support ongoing prescription renewals or chronic disease management.
